

Electric Violin Playlist

This is a curated list of the most popular songs I perform on electric violin — a mix of romantic melodies for your ceremony and prelude, and more upbeat favorites for the cocktail hour and reception.

If your favorite song is not on my list, I can learn up to five (5) custom songs of your choice at no extra cost (if instrumental backing tracks are available). If a track isn't available, I'll perform using the original version as the backing.
